sources and a guide for HR professionals to do their job well and contribute to effective talent management.

The book was unveiled by Sayalee Gankar, Director, MIT School of Management, who was the guest of honour at the event.

Speaking at the

launch, Sharma said, "The book covers the entire life cycle of an employee in any organisation, from recruitment to retention, competency mapping to rewards, and getting the best policies for succession and exit. The book is targeted at students, managers, employee

and employees to get maximum value and insights into their roles," she said.

The book is priced at Rs 200 and consists of 192 pages and will be available across all book stores and e-commerce sites along with Vishwakarma Publication's online book store.
