

# Margdarshan- Industry meets Academia 2016

**Bhopal:** CII Young Indians is organizing a full day session 'Margdarshan- Industry Meets Academia 2016' for college students of all branches and courses of engineering and management on December 10 at Truba College where HR professionals from various leading industries will interact with students and inform them about the skills needed for becoming a successful employee.

The program will focus on giving students insights about facing job interviews, technical and soft skills needed to get hold on dream jobs and developing potential according to the demand of the industry.
